

Title I Annual Meeting

Graysville Elementary School

Thursday, August 22, 2019 @ 6:45pm & 7:45pm

Minutes

Families were greeted at the front door with a Title I Information table that had additional handouts and resources. Families then continued on to their child's classroom where they signed in on the sign in sheets provided by the Parent Involvement Coordinator. The teachers handed each parent an Annual Meeting Agenda, GES School Policy, and the 2019-2020 Budget for parents' records and to supplement the presentation. Classroom teachers announced that the Title I Annual Meeting was beginning and they played the Adobe Spark presentation. Teachers discussed the presentation and answered any questions the families had. Families then completed an evaluation and either left them with the teacher or dropped them off at the Title I Information table on their way out. Families loved the presentation and thought that it was very well put together with all of the necessary information. Several parents said that "it was easy to follow and understand" and "they liked the simplicity and brevity."
