From the Principal:

Wow! It is hard to believe it is already October! The year is flying by. Our APEX Event was a huge success! The kids did great getting pledges and doing the workout! Even though we weren't able to run, we still had so much fun! I wanted to tell you how amazed I am by our GES family and your generosity to our school. While everything else in 2020 has been challenging, we can always count on you to come through for us! Thank you so much!

Our students are doing a wonderful job with all of the new protocols. They are wearing their masks, washing their hands, and social distancing. When school began, we had about 130 students doing digital learning. Since then, quite a few of them have returned. We anticipate that a few more students will return to face-to-face instruction for the 2nd nine weeks. As more students rejoin us, please continue to remind your child to do their part by remembering to follow our new protocols. We want to stay safe and in school!

As always, don't ever hesitate to contact Mrs. Johnson or me if you have a concern. Thanks for all you do to make Graysville great!

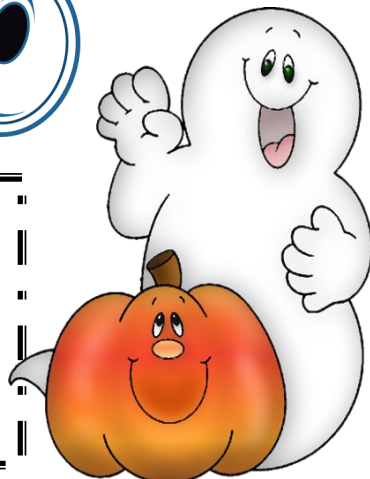

Sincerely,
Kerri Sholl

APEX LEADERSHIP CO.

Our Apex Fun Run fundraiser was a great event this year for our school! Thank you so much for your support! Although we weren't able to have the fun run, the children really enjoyed the Remix that was held in their classroom. We exceeded our expectations this year! We couldn't do this without each and every one of you!
