It would appear the GROUNDHOG saw his shadow so it looks like 6 more weeks of winter!

Attn: CUB CARE

Please remember that Cub Care payments are to be made weekly. If you would like to request a tax statement from last year, please contact Wendy Garverick at wgarverick.ges@catoosa.k12.ga.us

From the Principal:

Wow! I can't believe it is already February! This year is certainly flying by. February always makes me think of love. At GES we LOVE our students! This month we are looking forward to some fun and exciting activities.

Our Valentine parties are coming up next week. Because of some training, your child's class may be having their Valentine celebration on a different day. Please make sure to check messages from your child's teacher to stay in the know! This celebration is always a favorite for the students! They love exchanging cards with each other. While we still cannot have visitors in the building, teachers will be sending pictures through their messaging app.

February is Black History Month. GES celebrates diversity and learns about different cultures throughout the year, but this month we will be highlighting famous Black Americans and celebrate their important role in our history.

Have a great February!

PTO News

Our next PTO meeting is March 1st at 6:00. The spring auction is scheduled for March 19th-21st and will be online again this year. We still have spirit shirts available for \$12.00.

IMPORTANT

Please send your child to school with a water bottle and a mask every day. While we were graciously given donations of both of these items at the beginning of the school year, our supply is rapidly diminishing and we are unsure if we will be able to receive more. Please help out by providing these items for your child daily. Thank you!

Get Connected!

Parent Portal: See the School Website or contact the office. Print the form and return. Check out the CALENDAR on our Website for all up-to-date events.

Title 1

Our 2nd FAST virtual meeting will take place during the month of February. On February 9th GES students will be sent home with a FAST packet. This packet will contain the results from their MAP Winter Benchmark and updated goals for your students. Your child's teacher has recorded a short presentation for parents to watch to help with understanding how to interpret the assessment results and to offer tips on how to help your child at home. Parents will also have the opportunity to request a Parent-Teacher Conference. This virtual meeting will be available from February 9th – 19th. Please take a moment during this window to review the data sent home. Celebrate the growth your child has shown and know that if you have any concerns with your child's progress, your teacher is very willing to help! These Title I events are a great opportunity for you to take an active role in your child's education, even if they are not held in-person at the school.

Free resources are always available for families in the Parent Resource Workroom (Room 302) and now many are available online. Please look online to see our list of available resources and view the NEW online resource checkout form!

Look under Title I-Parent & Family Resource-Parent Resource Library Checkout. Let me know if I can send any information home with your student!
