

Graysville Elementary School Title I

2023 Georgia Milestones Information for Parents

Dear GES Parents,

Our 3rd, 4th, and 5th grade students will take part in the Georgia Milestones Assessment April 24th - April 27th. Title I has put together an informational, interactive newsletter for parents. This newsletter includes links to practice tests, FAQs for parents, and tips to help your student perform their best on the assessment. Please contact Marissa Watson, Parent Involvement Coordinator, with any questions. If you would like to request a paper copy, please fill out this form and return it to your child's teacher.

Scan the QR code above to be linked to the Georgia Milestones Parent Newsletter

Please send home a printed version of the Georgia Milestones Parent Newsletter.
