

Graysville Title I Spring Survey
Quick Guide for Parents

March 19, 2021

Dear Parents:

Thank you for taking the time to complete the 2021 Title I Spring Survey. Your participation and feedback is vital to the planning, the implementation, and ultimately the success of our Title I program. The results of the 2021 Spring Survey will be available online and discussed during our Spring Parent Advisory Committee meeting held virtually April 19-23. However I wanted to take this opportunity to provide our families with answers to some of their input. Those of you who requested more information about a certain topic can use this quick guide to locate the topics you wish to know more about.

Our Title I program has focused on making the majority of our information and resources available online during this time of limited in-person contact and will continue to do so going forward so that all GES parents may have access to the materials provided by Title I. Please use the grid below to locate the topics on our school website under the Title I tab:

http://ges.catoosa.k12.ga.us/title_i

Topic	Where to locate on the website
GES Title I program information - What is Title I?	Title I > What is Title I Title I > Title I Annual Meeting Agenda
